

Winery in Rueda

D.O. Rueda

The winery

Félix Solís Avantis bought the **Castillo Mudéjar, S.L.** winery in 2005 when it was just a year old. The first harvest took place in 2005.

Mudejar brickwork is a key feature of the winery along with a small garden of ancient olive trees containing **two sculptures** of a musician playing the **lyre and his muse**. Furthermore, certain areas of the façade have been painted orange which has not failed to draw the attention of the locals.

Today, Pagos del Rey is one of three most important wineries in Rueda.

Pagos del Rey Rueda winery is totally modern and equipped with all **latest technologies**. Along with the bottling plant it also boasts a large air conditioned storage warehouse.

Technical Info

- 90,000 m² surface area.
- Bottling line: 9,000 bottles per hour.
- Total storage capacity: 10,000,000 litres.
