📍 REGION
Spain's most famous wine region is renowned for creating top quality wines with exceptional ageing ability. It lies in northern Spain, along the River Ebro from which the region's name derived. Elegance and poise is the hallmark of wines made here. Rioja's different soil types together with the use of modern and traditional growing practices allow winemakers to produce a wide range of wines with different personalities, although always within the framework of the Denominación de Origen Calificada (D.O.Ca.) regulations.

🍷 TASTING NOTES
Vibrant ruby red in colour with aromas of black pepper and cloves, raspberry and plum on the nose and a wonderful powerful but silky palate thanks to the perfect balance between acidity and tannins. A lovely elegant wine with a long finish.

i TECHNICAL INFORMATION
The grapes are carefully selected and handpicked. The fermentation process is undertaken at a controlled temperature (25-28 °C) for 10-12 days before they are put through a maceration process (5-10 days). This ensures that the wine acquires its characteristic colour. Finally the wine is aged for 12 months in new American oak barrels, with further time to mature in bottle.
