

Orquesta Sauvignon Blanc

Vino de la Tierra de Castilla / White

The Sauvignon blanc vineyards of Tierra de Castilla are growing in importance as we increase our offering of international grape varieties from Spain to the world. The wines from these vineyards are already showing great promise!

🍷 GRAPE
100% Sauvignon Blanc

*** STYLE**
Still wine

📍 REGION
Like France's Vins de Pays, Vino de la Tierra de Castilla is a Spanish geographical indication for wines located in the autonomous region of Castile La Mancha. The limestone and argillaceous soils are at an altitude of 700 metres and rain fall is scarce.

🍷 TASTING NOTES
Pale yellow in colour with golden hues. The nose has intense aromas of citrus tropical fruits. The palate has a creamy softness with hints of fresh fruit.

🍷 FOOD PAIRING
The perfect accompaniment to fish, seafood, and salads

°C ALCOHOL CONTENT
12.5

🍷 BEST SERVED
Between 8-10°C

i TECHNICAL INFORMATION
Grapes are picked at their optimum ripeness to obtain a well-balanced wine with just the right levels of sweetness and acidity. The wine undergoes a short period of cold maceration that lasts for around 6 hours. Fermentation takes place at a controlled temperature of 14-16 °C in stainless steel tanks for about 15-17 days. It is followed by a short period of maturation, resulting in an elegant, fresh and fruity wine.
