

## D.O. Valdepeñas

### Viña Albali Gran Reserva

Inspired by the starry clear night, Félix Solís wanted to create a wine that reflected the joyful and lively spirit of Spain. He named this wine Albali, after a star in the constellation of Aquarius.

Viña Albali Gran Reserva is made from Tempranillo grapes, which are harvested from the best vineyards of our own wine estates. This wine ripens for a long time in the quiet of our cellars.

## Regionen

The name Valdepeñas comes from the eponymous city of antiquity, located in a sun-drenched river valley, dotted with small rock formations – Val de peñas (Valley of the Rocks). Located south of Castile-La Mancha in central Spain. The climate is dominated by extremes, with temperatures up to 40°C in summer and down to -10°C in winter. The future of this designation of origin lies in the hands of the red wines made from Tempranillo grapes, which are well suited for aging, from the magnificent Crianzas, Reservas and Gran Reservas.

## Verkostungsnotizen

Deep ruby red with burgundy tones. Complex and elegant bouquet of ripe red fruits and a hint of leather, green pepper and spices. On the palate, balanced and expressive with round, first-class tannins. Good ripening potential, thanks to the exceptional structure of the tannins.

## Speiseempfehlung

The ideal accompaniment for all types of meat, stews and mature cheese.

## Technische Information

The fermentation is carried out at controlled temperature (26-28°C). With this method, maximum fruitiness and outstanding tannins are achieved. The wine ripens for at least 18 months in barrels and 3 to 6 years in the bottle.
