

Vino de la Tierra de Castilla

Viña Albali Tempranillo-Shiraz

This wine was inspired by the clear starry night skies in La Mancha. Félix Solís wanted to create a wine that would capture the pleasure-loving, life-affirming spirit of Spanish people. He named it Albali after the brightest star in Aquarius.

Technical Information

Each elaboration phase is carefully controlled. The best Tempranillo and Shiraz grape batches are selected and macerated separately to get the most out of each variety. Fermentation takes place in stainless steel tanks between 22-24°C. Then, our experts assemble a coupage made of Tempranillo and Shiraz.
