Castillo de Albai Tempranillo

Castillo de Albai Red is made from Tempranillo grapes that are carefully handpicked from the best vineyards in La Rioja.

Region

Spain's most internationally famous wine region is renowned for creating top quality wines with exceptional ageing ability. It lies in northern Spain, by the side of the River Ebro from which the region's name derived. Elegance and poise is the hallmark of the wines shaped in this ancient region. The variety of its soils, together with the combination of modern and traditional growing practices allow winemakers to produce a wide range of wines that exhibit different personalities, always within the framework that their long-established Qualified Denominación de Origen demands from them.

Tasting Notes

Cherry red with vibrant, violet highlights. The nose is intense with rich aromas of red berries and a hint of strawberry yogurt. Fresh and fruity with a long persistent finish.

Food Pairing

This wine is perfect with salads, pasta, rice and white meat dishes.

Technical Information

The carefully selected handpicked grapes are harvested at their optimum ripeness before embarking on a 10 day maceration process. Must is then fermented in stainless steel tanks at a controlled temperature (21- 23 °C) for 10 to 12 days. This ensures the wine achieves its characteristic colour and maximum aromatic expression.

Tasting Notes

Bright straw yellow with touches of green. This wine has aromas of white flowers, ripe tangerines, banana, orange peel and citrus fruits with a subtle hint of passion fruit. On the palate, the wine is clean and silky with an ample aftertaste.

Food Pairing

A good accompaniment to seafood, fish varieties such as cod in pil-pil sauce, or poultry cooked with vegetables.

Technical Information

Harvested at night in early October, cooler temperatures allow the grapes to retain their wonderful aromatic character. Run juice is left for 6 – 8 hours to macerate at a cool temperature to get the most out of its aromas. The fermentation takes place at a controlled temperature in stainless steel tanks at 14-16° C. The wine making process includes careful handling at every stage. The result is a fresh and delicate wine.
