

D.O. Rías Baixas Pulpo Albariño

This wine is made from “Albariño” grapes carefully grown in the vineyards at “Val do Salnés” (valley of the salterns) in Galicia, where most vineyards and wineries congregate under the Denominación de Origen Rías Baixas. This grape variety is characterised by its small clusters, early ripening and medium vigour. They are remarkable for their pleasantly impressive fine and distinguished floral and fruity aromas, of a medium intensity and a medium-long finish.

Region

Rías Baixas is a Denominación de Origen which includes a number of vineyards in Galicia, that share some geographical features which characterise and distinguish these idiosyncratic wines.

Lowland areas near the sea are linked to lower stretches of river courses and are characterised by a mild climate and a decrease in rainfall during the summer months.

VARIETY
Albariño

STYLE
Still Wine.

ALCOHOL GRADUATION
12.5%

SERVING TEMPERATURE
Served chilled

Tasting Notes

The wine is bright, pale lemon in colour with hints of apple green. Aromas of white flowers, hints of peaches and apricots lead to a fresh, fruity palate and an enjoyable finish.

Food Pairing

Perfect with seafood, grilled octopus (“pulpo” in Spanish), and other typical dishes based on seafood, oysters, or mussels.

Technical Information

Fermentation at a controlled temperature of 16°C in stainless steel tanks.

D.O. Monterrei Pulpo Godello

Pulpo Godello captures the vibrant spirit of Spain’s flourishing white wine scene. Crafted from the exceptional Godello grape, this wine hails from the Monterrei D.O. in the province of Orense, southern Galicia—an area celebrated for its unique continental microclimate with Atlantic influences.

The vineyards thrive on the slopes of the Monterrei Valley, where shale, granite, and clay soils nurture vines over 25 years old.

Region

The Godello grape and the Monterrei D.O. reflect the fantastic and growing quality of white wines in Spain.

It is located in the province of Orense, in the south of Galicia, and is Galicia, and is characterised by a continental microclimate with Atlantic exposure, with slate, granite and clay soils.

The location of the vineyards on the slopes of the Valle de Monterrei allows the grapes to ripen perfectly without losing their acidity. The Godello grape is renowned for its great quality and aromatic potential, offering more body and structure and a more structured and mineral profile than its sister Albariño.

VARIETY Godello	STYLE Still Wine
ALCOHOL GRADUATION 13%	SERVING TEMPERATURE Between 7-10° C

Tasting Notes

Pulpo Godello is a bright, clean wine with a straw-yellow hue and subtle green reflections. On the nose, it unveils an expressive bouquet of floral, citrus, and stone fruit aromas, including peach and apricot, layered over a delicate mineral backdrop. The palate is balanced and enveloping, starting with a silky entry that evolves into a lively acidity, delivering freshness and a long, complex finish. Mineral and citrus notes gracefully linger in the aftertaste.

Food Pairing

Versatile and refreshing, Pulpo Godello shines when paired with seafood, fish, rice dishes, white meats, or Asian cuisine. It’s also an elegant choice to enjoy on its own for any special occasion

Technical Information

Grown with care and harvested by hand, the north-to-south orientation of the vines ensures perfect sun exposure, allowing the Godello grape to ripen beautifully while preserving its signature acidity. Fermentation takes place in stainless steel tanks at controlled temperatures, safeguarding the grape’s natural aromas and vibrant characteristics.

South Africa – Western Cape

Pulpo – South Africa

True to its origin, this Sauvignon Blanc captures the essence of the grape grown in the cooler maritime climates within Western Cape.

Region

South Africa is becoming one of the most interesting wine growing areas in the world and especially with wines made from Sauvignon Blanc. Most of the vineyards of this variety are located in the western part of the country, known as 'Western Cape'. Its location is perfectly suited to growing high quality Sauvignon Blanc grapes, providing the ideal combination of growing areas from the milder coast to the colder climate mountainous areas. These conditions give rise to wines of excellent quality, pleasantly aromatic with an intense and expressive flavour.

Still Wine

ALCOHOL GRADUATION

12,5%

SERVING TEMPERATURE

7-10°C.

Tasting Notes

On the nose, it is a clean and direct wine with aromas reminiscent of citrus and tropical fruits. On the mouth, we enjoy intense flavors with floral and herbaceous touches.

Food Pairing

Sauvignon Blanc has a fine and delicate style and can be paired with many types of gastronomy, mainly mild dishes, fish and seafood, cold cuts or salads. It is a perfect wine to enjoy by the glass as an apéritif.

Technical Information

After crushing, the must is left for maceration for 6 to 8 hours at low temperature to achieve the maximum expression of aromas. The fermentation takes place at a controlled temperature in stainless steel tanks at 14-16° C. The wine making process includes careful handling at every stage.

Wines of New Zealand
Pulpo Sauvignon Blanc New Zealand

True of its origin, this Sauvignon Blanc captures the essence of the grape grown in the maritime climate of Marlborough. Crafted from vineyards in the Awatere and Wairau Valleys.

Region

New Zealand is a premier new-world wine country, producing award-winning wines that reflect the clean air and sunshine. Marlborough is a well-known wine-producing region in this country. A combination of a cool yet high sunshine climate, low rainfall and free-draining, moderately fertile soil produces uniquely vivid wines. The most popular varietal is Sauvignon blanc, closely followed by Pinot noir and Chardonnay.
