Region

Blend is the new trend in the world of wine. These wines are made with different grapes of distinct vines, selected either for their regionality or for their variety. This characterizes them as unique wines with their own identity, in which the art of making wine is represented.

VARIETY

Verdejo, Sauvignon blanc and Chardonnay.

STYLE

Still wine

ALCOHOL GRADUATION

12,5%

SERVING TEMPERATURE

Best served between 6 and 8 °C.

Tasting Notes

Bright and straw coloured with greenish tints. Complex and subtle on the nose, there are peach and apricot aromas with hints of citrus and smokiness. Rich and mouth-filling in style, with moreish tropical fruit flavours, nuanced vanilla and nicely balanced acidity.

Food Pairing

Ideal as an aperitif but also goes well pasta, paella and all sorts of tapas, especially grilled fish, smoked hams and cheeses.

Technical Information

The goal was to create a distinctive style of wine by harnessing the qualities of three different but complementary grape varieties from several notable winegrowing regions in Spain. Fermentations take place in stainless steel tanks over 20-25 days at maximum temperatures of 15°C. Once the vinification process is complete, the wine is left on its lees at low temperature for 2-3 months to develop secondary flavour characteristics. In the case of Chardonnay, the wine remains in French oak barrels for 3 months, with batonnage (stirring the lees) occurring several times a week.
