

## Wines of Chile

### Casa Solís Chardonnay

Casa Solís has sprouted from a seed in a far away land. A seed in sewn in 1952 with the Family Solís winery in Spain has grown from sapling into a fine tree. Now its own seeds take root in a new land: Chile. Casa Solís is a union of past experience in an exciting new destination.

## Region

Wines of Chile continue the legacy of Spanish wine culture in the 'New World'. The rugged and wild landscapes, with the currents of the Pacific to one side and the Andean slopes to the other, allow excellent climatic conditions for the cultivation of varieties brought from the Old World: Cabernet Sauvignon, Merlot, Sauvignon Blanc or Chardonnay which prosper with indigenous grapes like Carmenere.

## Technical Information

Grapes are harvested when they are at just the right point of maturity to express the full potential of the famous Chardonnay grapes of the Aconcagua Valley. After destemming, grapes are cooled down (below 13° for more than 20 days) to prevent fermentation from starting too soon and enhance fruit concentration. The wine remains in contact with fine lees for 60 days to enhance its body and flavour.
