A deep, cherry-coloured wine. The nose has aromas of candied fruits, cocoa and subtle oak notes. On the palate it is tasty, round and balanced. It is elegant, complex and has a long aftertaste. At this stage, its sweet and ripe fruit character reappears in perfect harmony with the oak.

Food Pairing

Perfect companion for all kinds of meats, stews, cured cheeses or succulent dishes.

Technical Information

After being harvested by hand, the grapes are transferred to stainless steel tanks where the must remains in contact with the skins for 8 days to extract all the colour and tannins. Alcoholic fermentation then begins for 8-12 days at a temperature of 26-29 °C, followed by malolactic fermentation which takes place at 20°C. Afterwards, the wine spends 18 months in new American oak barrels and another 18 months in bottle.
