

Varietal Wine

Consigna Chardonnay

The Chardonnay vineyards in Castilla are growing in importance as the Spanish offer of varietal wines grows in number and volume. Spanish varietal wines already hold great promise to the world.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.
