Varietal Wine

Contenda Chardonnay

Through generations of careful wine making we have applied our expertise to refine the expression of this international grape to exhibit the lively fruity intensity of fresh apples and honeydew melons rounded by its underlying richness.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.
