Marqués de Atillo Crianza

Marqués de Atillo Crianza is made exclusively from Tempranillo grape variety. The Tempranillo grapes are carefully handpicked from small production vineyards from vines over 80 years-old. The result is a superb wine with ripe, red fruit aromas and hints of spices.

Region

Spain's most internationally famous wine region is renowned for creating top quality wines with exceptional ageing ability. It lies in northern Spain, by the side of the River Ebro from which the region's name derived. Elegance and poise is the hallmark of the wines shaped in this ancient region. The variety of its soils, together with the combination of modern and traditional growing practices allow winemakers to produce a wide range of wines that exhibit different personalities, always within the framework that their long-established Qualified Denominación de Origen demands from them.
