

## Mucho Mas Red Blend

### Blend

## Mucho Mas Red Blend

A quality wine, reduced to its very essence, eliminating all that is insignificant and insubstantial. Just the very essence of wine.

vivino

4.2

### Region

Blend is the new trend in the world of wine. These wines are made with different grapes of distinct vines, either for its regionality or for its variety. This characterizes them as unique wines with their own identity, in which the art of making wine is represented.

#### VARIETY

**Tempranillo, Grenache and Syrah**

#### STYLE

**Still Wine**

#### ALCOHOL GRADUATION

**13.5%**

#### SERVING TEMPERATURE

**Best served  
between 15  
and 18 °C**

### Tasting Notes

Cherry red color, medium-high layer and compact edging. Aromatic, elegant with good intensity. Memories of ripe black fruit, scrubland, balsamic. Background with touches of noble leather and vanilla. In the mouth it is complex, broad, alive. In the mouth, the fruity, mineral notes stand out, on fine sensations of cocoa. Persistent and elegant finish.

### Food Pairing

Ideal wine to accompany tapas and appetizers, cured cheeses, lean meats and game dishes.

### Technical Information

The object of the coupage is to obtain a different and special wine, using the Tempranillo, Grenache and Syrah varieties of several Spanish viticultural origins, which provide their own particularities. The grapes come from old vines and are collected manually. The vinifications are made in stainless steel tanks for 10-14 days with controlled temperatures of 26-28°C. The wine remains in American oak barrels for 3-4 months until the end of the malolactic fermentation. After determining the mixture and the wines are assembled.
