

Varietal Wine

Peñasol Red Prisma

Peñasol Red Prisma takes its name from the place where it has been elaborated: the sunny Valley of the Rocks, the ancient name of Valdepeñas, by the river Jabalon's banks. The wine is made from Tempranillo, the indigenous grape from Castilla-La Mancha.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.

VARIETY
Tempranillo

STYLE
Still Wine.

ALCOHOL GRADUATION
12%

SERVING TEMPERATURE
12 – 16° C.

Tasting Notes

Deep red in colour with purple tones; this wine has aromas of red and black berries, with hints of violets.

Food Pairing

This wine is ideal to eat with rice, pasta and stewed meat.

Technical Information

The grapes undergo strict controls on the vineyards to determine the correct moment to be harvested and transformed into a wine with the right amount of sugar and acidity. Must macerates in contact with skins for 2-3 days. Fermentation in stainless steel tanks at 22-24°C results in a perfect balance of fruit and tannins.
