

Varietal Wine

Peñasol Tempranillo Garnacha BIB

Peñasol is the perfect partner for your spontaneous, informal, everyday plans... Its diverse range of wines is capable of adapting to all situations. Choose the moment, Peñasol transforms the everyday into the extraordinary.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.

Technical Information

The grapes undergo strict controls on the vineyards to determine the correct moment to be harvested and transformed into a wine with the right amount of sugar and acidity. The must macerates in contact with skins for 2-3 days. Fermentation in stainless steel tanks at 22-24°C results in a perfect balance of fruit and tannins.
