

Soldepeñas White Litre

Varietal Wine

Soldepeñas White Litre

White Soldepeñas takes its name of the place where it is made: the sunny Valley of the Stones, old name of Valdepeñas, the valley of the river Jabalon. The wine is made from Airen, the indigenous grape from Castilla-La Mancha.

Region

The largest vineyard in the world is located on the central plateau of the Iberian Peninsula. Varietal wines are made with one type of grape. Airen and Tempranillo are the most characteristic grapes from this area, while other non-native grape varieties such as Cabernet Sauvignon, Syrah, Merlot, Viura, Sauvignon Blanc and Chardonnay have excellent results due to the climate and terrain in this region.
