### Region

New Zealand is a premier new-world wine country, producing award-winning wines that reflect the clean air and sunshine. Marlborough is a well-known wine-producing region in this country. A combination of a cool yet high sunshine climate, low rainfall and free-draining, moderately fertile soil produces uniquely vivid wines. The most popular varietal is Sauvignon blanc, closely followed by Pinot noir and Chardonnay.

### Tasting Notes

This wine has the classic aromas of juicy tropical fruit and zesty citrus with intense flavours of passion fruit and zippy gooseberry.

### Food Pairing

Enjoy with salads, seafood, like oysters or shrimps, salty snacks or delicious tapas.

### Technical Information

After crushing, the must is left for maceration for 6 to 8 hours at low temperature to achieve the maximum expression of aromas. The fermentation takes place at a controlled temperature in stainless steel tanks at 14-16° C. The wine making process includes careful handling at every stage.
