### the gov'nor

When the gloves are off what kind of wine would our winemakers choose to drink at home? That's the rather tantalising challenge we set them. They stepped up to the task with gusto. After all, how could they resist such an enticing opportunity?

Revelling in all its glorious indulgent ripe fruit and deliciousness, the creation they crafted is the gov'nor. So let's park the wine pretence and unlock some straightforward pleasure. Pull the cork, pour a generous serving and savour its rewarding flavours.

## Region

Blend is the new trend in the world of wine. These wines are made from a *premium blend* of different grapes from different vines, either by their regionality or by their variety. This characterises them as unique wines with their own identity, in which the art of winemaking is represented.
