The fine and refreshing bubbles of moscato make Viña Albali Moscato the next big thing among wine lovers. Made with the muscat grape, all the sweetness of this variety is preserved from ripening in the sun in the fields of La Mancha. Its fruity flavors are stone fruits such as apricot, peach or nectarine and its aromas are reminiscent of caramel and jasmine.

Technical Information

Made with grapes from the Muscat of Alexandria variety. After a light and gentle pressing, a clean, high quality must is obtained. This must is fermented with specially selected yeasts in stainless steel tanks to up to 7 degrees of alcohol, creating an internal pressure of approximately 4 bars. At this point, the temperature is reduced to arrest the fermentation. The wine then remains on its fine lees for a few weeks at temperatures below zero for maturation, clarification and stabilization of the sparkling wine. Its aromatic nuances should now be integrated with fine and delicate bubbles. Later the Moscato is filtered and sterile bottled.
