

Vino de la Tierra de Castilla Viña Albali Verdejo – Sauvignon Blanc

Inspired by the clear, starry night sky, Félix Solís wanted to create a wine that would capture the pleasure-loving, life-affirming spirit of the Spanish people. He named it *Albali* after a star in the constellation of Aquarius.

Like France's Vins de Pays, Vino de la Tierra de Castilla is a Spanish geographic indicator for wines from the autonomous region of Castilla-La Mancha. This is a region at an altitude of 700m covered with limestone and argillaceous soils that endure scarce rain falls.
