Tasting Notes

Cherry colour, violet edges and aromas of plum, red fruits and currant characteristic of the Tempranillo and Cabernet Sauvignon varieties. The palate is pleasant and smooth, with a light, fruity and well-balanced finish.

Food Pairing

It is perfect to enjoy with light tapas, white meats and cheeses.

Technical Information

Alcohol is extracted from wine by a non-aggressive, complex and sophisticated process, to avoid the loss of aromatic compounds and characteristics of the original grape variety. The quality and organoleptic properties of the resulting product are not affected in the process, obtaining a wine of high quality, expressive, fresh and intense aromas.
