Viña Albali Frizzante 5.5 Rosé

The rosé variety is crafted from Tempranillo, Spain's most iconic grape. A careful selection of grapes ensures a harmonious balance of sweetness and acidity. The brief maceration process achieves the attractive pink hue while minimizing tannin extraction, resulting in a softer flavour.

Region

The area of Castilla-La Mancha, located in the central plateau of the Iberian Peninsula, is the world's largest vineyard. Varietal wines, grape juice and sangrias are produced in this vast wine region. Airen and Tempranillo are the most typical grapes from this area.

Tasting Notes

Natural fermentation yields a delightful balance of alcohol, acidity, and sweetness, with flavours of strawberry and red fruits. The wine is sweet, refreshing, with a light fizz and low alcohol content.

Food Pairing

It is the perfect accompaniment to any aperitive or light dinner, enhancing the dining experience with their refreshing and versatile profiles..

Technical Information

The grapes undergo cold maceration to enhance aroma extraction, followed by fermentation that produces their natural bubbles. This meticulous process results in a wine that harmoniously balances sweetness and acidity, making it a versatile choice for any occasion.
