## Tasting Notes

A perfect balance of alcohol, acidity and sweetness is achieved through natural fermentation, resulting in a fruity, sweet and refreshing character with a light fizz and low alcohol content.

## Food Pairing

It is the perfect accompaniment to any aperitive or light dinner

## Technical Information

The Verdejo grapes are harvested at dawn in early October. Cool night temperatures allow the grapes to retain their wonderful aromatic nature. Partially-fermented grape must in isobaric tanks where fine bubbles are naturally formed. When the wine-must come to 5.5 degrees of alcohol, it stops the fermentation.
