Viña Albali Pinot Grigio

Félix Solís wanted to create a wine that would capture the pleasure-loving, life-affirming spirit of Spanish people. He named it Albali after the brightest star in Aquarius.

This delicate wine is produced with Pinot Grigio grapes from the wine region of northern Italy. With controlled macerations during the winemaking, the skin contact allows the wine to enhance its depth, body and elegance.

Region

The area of Castilla-La Mancha, located in the central plateau of the Iberian Peninsula, is the world's largest vineyard. Varietal wines, grape juice and sangrias are produced in this vast wine region. Airen and Tempranillo are the most typical grapes from this area.

Tasting Notes

Straw yellow in colour with copper hues. The nose is remarkable with ripe white fruit aromas, floral notes and a pleasant citrus background. Great structure, freshness and elegance.

Food Pairing

Enjoy chilled as aperitif. Ideal to pair with seafood, white fish or salads.

Technical Information

The Pinot Grigio grapes are harvested during the first nights of September to capture the low temperatures. The grapes are carefully selected and fermented at controlled temperatures between 14-16° C in stainless steel tanks. After fermentation, two rackings are carried out to separate the coarse lees and allow aging for 3-4 months on fine lees. This maturation in the tank will provide the fineness and characteristics typical of the variety.

D.O. Valdepeñas Viña Albali Airén Verdejo Sauvignon Blanc

This wine was inspired by the clear starry night skies in Spain, Félix Solís wanted to create a wine that would capture the pleasure-loving, life-affirming spirit of Spanish people. He named it Albali after the brightest star in Aquarius.

Region

Valdepeñas takes its name from the ancient city by the same name, that lies on a sun-baked river valley dotted by small rocky formations (Val-de-peñas – Valley of Rocks). Located in the South of Castilla-La Mancha in central Spain. It experiences extreme weather conditions, with temperatures reaching up to over 40 °C in the summer and dropping to as low as -10 °C in the winter. The future of this Denominación de Origen lays with its red wines made from Tempranillo; a grape variety that enjoys the ability to age well as crianza, reserva and gran reserva.

Tasting Notes

Intense exotic notes lead to a refreshing palate with delicate bubbles and a honeyed sensation on the finish.

Food Pairing

It is an ideal wine for framing meals, accompanying aperitifs and desserts. Its low alcohol content allows a wide range of pairings in these two moments.

Technical Information

Made with grapes from the Muscat of Alexandria variety. After a light and gentle pressing, a clean, high quality must is obtained. This must is fermented with specially selected yeasts in stainless steel tanks to up to 7 degrees of alcohol, creating an internal pressure of approximately 4 bars. At this point, the temperature is reduced to arrest the fermentation. The wine then remains on its fine lees for a few weeks at temperatures below zero for maturation, clarification and stabilization of the sparkling wine. Its aromatic nuances should now be integrated with fine and delicate bubbles. Later the Moscato is filtered and sterile bottled.
